With the start of our sophomore year, our class had increased to one-hundred thirty seven members. Helen Miller and John Myzewski represented us at the Christmas Formal.

Our junior class enrollment again increased to one-hundred forty members. Marianne Kordatzky represented us at Badger Girls State and Steve Merriam, Steve Malone, and Roger Goodger represented us at Badger Boys State. Our biggest project was the Junior-Senior Banquet and Prom. Speaker at the banquet was Mr. Crawford Thayer; the theme chosen for the dance was "Kayru-Kai". Phil Marty and Bess Ann Davidson reigned as King and Queen.

Our senior year began with one-hundred and forty four members working toward graduation. The Senior Class sponsored the Homecoming Dance. The theme was "Fall Frolics". Greg Garnett and Karen Haugom reigned as King and Queen of Homecoming Festivities.

# Exchange Teacher Mr. Figueroa

The excitement of foreign lands became a reality for our students this year as Mr. Bernabe Figueroa, from Valparaiso, Chile, came to Milton Union under a teacher exchange program conducted by the Naval Academy in Valparaiso. He regretfully left his wife, Gabriela, his son, Gabriel, and his daughter, Fabiola, to share his native mastery of the Spanish language with our community. While spending the year teaching he is also working on a thesis for his Master's Degree at the Catholic University in Valparaiso. Mr. Figueroa feels right at home in Wisconsin. Surprisingly, the climate and land features of our area are very similar to his homeland.

I am sure the students and teachers of Milton Union will never forget what an experience it has been having you here, Mr. Figueroa. Your cheerful personality and witty character have made the memories a little stronger for all who have worked with you. It would not be saying enough to only wish you success in the future and the hope for a pleasant lifetime, but I am sure a greeting like that must come from everyone who has met you. You have been a pleasant addition to our faculty, Mr. Figueroa, and to the community as a whole. May your memories of Milton High School be as pleasant and lasting as the school's memory of its wonderful Spanish teacher from Valparaiso.

The A.F.S. Club was organized this year with the help of the advisors, Mr. Cooper and Miss Haupt, and the Student Council to provide "Friends, Fun, and Funds for a Foreign Student." Prior to Dany's arrival in Milton, members sold "Hi Dany" pins to welcome her. In October, nearly 50 members sold candy door-to-door to raise funds for the A.F.S. program. In the spring the A.F.S. Club hopes to host other A.F.S.er's of this area for a week-end. Of the nine Americans Abroad applicants for the summer program, two juniors, Nancy Bolac and Gregg Kumlien, were selected to apply to New York.

# Janette Heinig

"I wouldn't have known Norway if I hadn't known the youth." The statement could have come from anyone, except for the mention of Norway. It brings to mind a fellow classmate of the students at Milton Union. Janette Heinig was one of nine youths chosen from Wisconsin to participate in the Americans Abroad Program in the Summer of 1964. A branch of the American Field Service. With her light hair and bright eyes she was readily accepted in Norway as one of the citizens. A great deal of the summer was spent away from her "parents", the Andreas Linningsvoll's, because of a 120 mile bicycle trip through Norway. She was accompanied on the trip with her "sister" Karin. If you ask her about the trip you find out many things but probably the most important point you'll remember is when she describes the beauty of the landscape.

We can be sure of one thing—Janette will probably never forget the experience she had with the Norwegians and their homeland, and we can hope that the people and the land of Norway will never forget Janette Heinig, the first Milton Union high school student to spend a delightful and memorable summer in a foreign land.

### Daniella Marta

The light and jovial air of the South American Continent came to Milton this year when energetic and vivacious Daniella Marta arrived. "Dany", as she is better known to the students, came to Wisconsin with a language barrier. However, within a few weeks she was conversing with almost everyone. Dany will now be able to add English to her growing list of language accomplishments. She can already speak Italian, French, and Spanish. Leaving her family in Caracas, Venezuela, Dany has made her home in Milton with Mr. and Mrs. Robert Kordatzky, and her new "sister", Marianne. She finds the food particularly delicious, number one on her list is "corn on the cob". Because she finds American coffee much weaker, she enjoys a delicacy when she has coffee from Venezuela. She was a little shocked when the cold weather moved into the Wisconsin area, as she is accustomed to enjoying the warm sun all winter long.

The second American Field Service student to attend Milton Union High School, Dany may be sure she has set a high goal for any competitors to match. Her laughable and joyous moods can only be an example of the pleasant mark she shall leave on the school and in the minds of all the students who knew her.

May your memory of Milton, Dany, be as pleasant as Milton's memory of you.

#### **Tournament Games**

The 1964-1965 Wrestling Squad of Milton was host this year to the sectionals. We had an unrewarding sectional tournament but only after a very successful year. We placed first at the East Troy Invitationals with many of our wrestlers taking high honors.

First Places to: Eugene Montayne 95

Dan McBride 127
Bruce Kenyon 133
Tom Morehart 145
Phil Marty 154
Jerry Jorgenson 165

At the Jefferson Invitationals our squad tried to double their tournament winnings but were held back by Lake Mills winning first place. However, our wrestlers again won many honors.

First Places to: Eugene Montayne 95

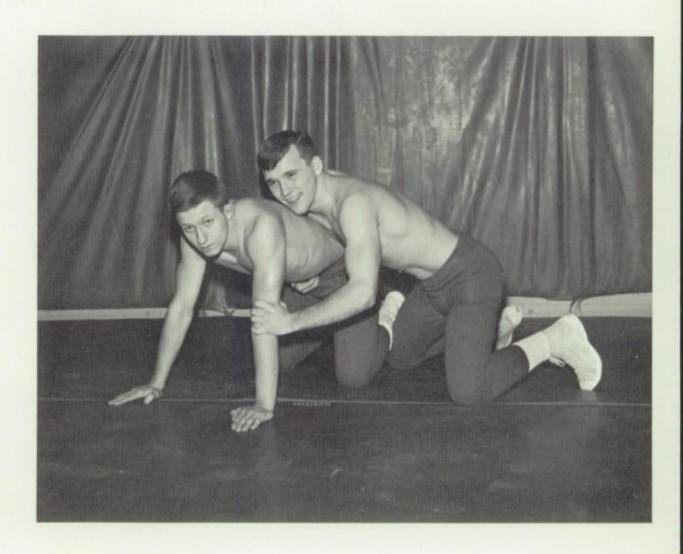

Dan McBride 127 Bruce Kenyon 133 Phil Marty 154

The Squad fought hard at the Conference meets and for their hard work they came home with a first place. Eugene Montayne held his record undefeated by winning a first place at Conference as did Bruce Kenyon. Dan McBride and Bruce Bass also took first place honors at the Conference. Second place honors went to Roger Goodger, Tom Morehart, and Jerry Jorgenson.

As Milton placed fourth in the regional playoffs we were still in the fighting with lightweight Eugene Montayne at 95 pounds holding his record unbeaten. Bruce Kenyon and Bruce Bass also fought hard for Milton and were proud to bring back first place honors, but the Conference had eliminated many of our players and we did not place at the sectionals.

# Any students who have afternoon classes in

the second mobile classroom are probably acquainted with Tom Cary, a freshman at Milton Union. Tom is a student in absentia due to Muscular Dystrophy. His subjects are U.S. History, and General Math, math being his favorite.

Tom is able to take classes at Milton Union because of the telephone system which is set up between the mobile classroom and Tom's home. This enables him to listen to the classroom discussion and participate in it by flipping a switch.

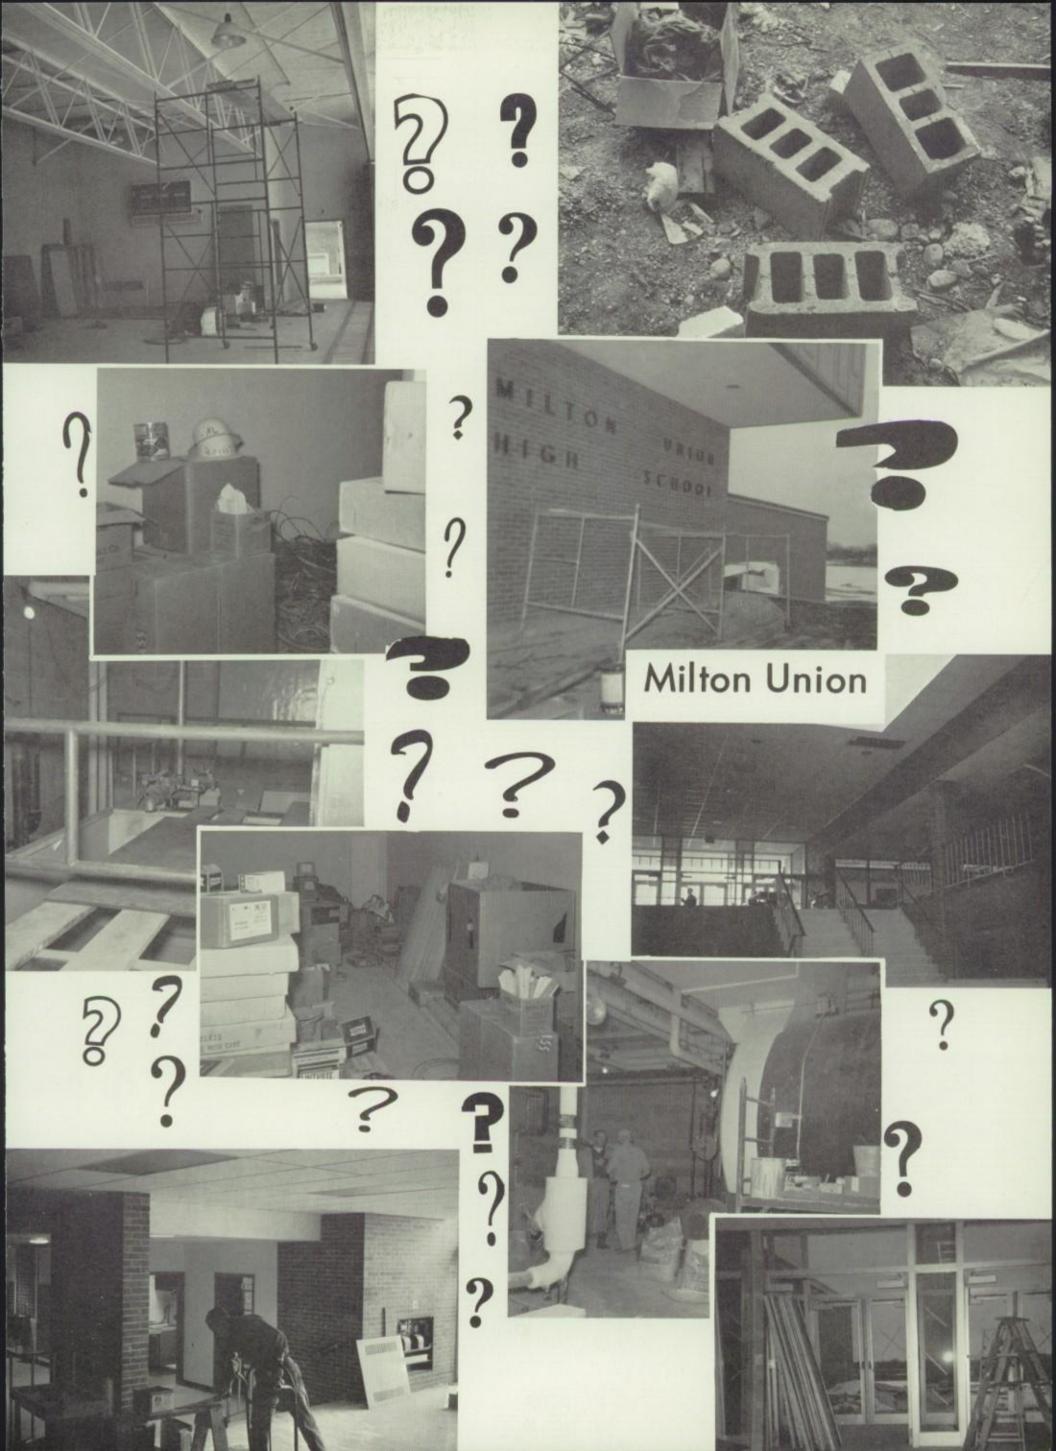

Helping Tom along, at home, with his studies is Mr. Arthur Arnold, a Milton College, secondary education graduate.
